Outreach vs. Inreach

Outreach ministries focus on touching the lives of those outside our church family, either in our local community or those living outside our county, state, or nation. Conversely, Inreach ministries focus on touching the lives of those on our church membership rolls.

One Inreach ministry needing new volunteers is our DVD ministry, which delivers DVDs of our Sunday Morning Worship services to our home-bound members. If you would like to receive the blessing of brightening someone's day with a short visit to deliver a DVD, please contact Eastland Gray (eastland@villagebc.org) or call the church office. Historically, with several volunteers, this has been a once a month commitment. We have also resumed delivery of Wednesday night meals to our home-bound members. If you would like to participate in this ministry please contact Eastland.
