Outreach vs. Inreach

Outreach ministries focus on touching the lives of those outside our church family, either in our local community or those living outside our county, state, or nation. Conversely, Inreach ministries focus on touching the lives of those on our church membership rolls.

One Inreach ministry needing new volunteers is our DVD ministry, which delivers DVDs of our Sunday Morning Worship services to our home-bound members. If you would like to receive the blessing of brightening someone's day with a short visit to deliver a DVD, please contact Eastland Gray (eastland@villagebc.org) or call the church office. Historically, with several volunteers, this has been a once a month commitment. We have also resumed delivery of Wednesday night meals to our home-bound members. If you would like to participate in this ministry please contact Eastland.

For more information about any event, go to villagebc.org

Wednesday Night Meal

Our Wednesday Night Family meal time is being restructured so that we may continue offering the best to our church family. We need to hire one part time person to oversee the serving of the meal and clean up. Volunteers are needed so that the meal may be kept cost effective. Please prayerfully consider assisting in this vital ministry to our families.

We will be taking a break until January, 2012 so that these needs may be adequately budgeted and volunteers secured. We apologize for any inconvenience.

**If you have paid through the end of September, contact the church office to make arrangements for reimbursement.*

Village is taking offerings for the NC Baptist Association to benefit Missions through the end of October.
